In G.O. No. 6633-38/CB dated 24th July 1950, Justice Sri R. Venkata Ramaiya, Judge, High Court was appointed to hold an enquiry into certain allegations against Sri U.K. Somappa, Senior Deputy Inspector General of Police and this confidential enquiry was held at "Balla Bloore" High ground Bangalore.

6) Staff to assist him in the enquiry was not sanctioned in the said Government Order. As stated by him, he had the services of the two officials of the High Court viz (1) Sri K.R. Ramaswamy, Superintendent on pay of Rs 230 and (2) Sri B.C. Rama Rao, Stenographer on Rs 120/-. These officials were deputed under the orders of the Chief Justice to assist him in the enquiry from 3rd August 1950. In paragraph 1 of his letter, Sri Venkata Ramaiya writes that he requested for the order of sanction of Government for the Staff and that no order has been received by him. The matter may perhaps be pending in Adm. Branch. Menial Staff consisting of a Jamedar and two peons of the Secretariat were also deputed to work there.

7) As these officials were deputed to work there, they are entitled to a

Serial No.

deputation allowance of 10/- of their Salary which would amount to Rs 46 for two months in the case of Sri K.R. Ramaswamy and Rs 24 for two months in the case of Sri B.C. Rama Rao. It is stated that this amount would be very small as compared to the nature of work entrusted to them, and in the light of the fact that they have attended to their duties in High Court whenever required. It is also represented that the work of these officials was very responsible and exacting one as the work was ~~Allotted~~ Connected with a confidential enquiry. Hence Justice Sri Venkata Ramaiya ~~recommends~~ opines that they should be granted some substantial allowance for the good work done by them in addition to their usual Salary which they have drawn and recommends that the Government may be pleased to Sanction, as a Special case, an allowance of Rs 100/- to the Superintendent and Rs 100/- to the Stenographer and in respect of menial staff Rs 10/- to the Jaffedar and Rs 7-8-0/- to each of the two peons.

8) It may be stated that Bonus equivalent to four months pay has been granted to the staff of the Gopala Rao Enquiry Committee. Expenditure incurred in the form of ~~increase~~ Bonus to the staff was met by the funds collected by the Gopala Rao enquiry Committee. In the present case, the expenditure regarding Bonus, if granted, is to be borne by Government. The expenditure which would be Rupees 225 is very small

It is stated that the expenditure which the Government may have to incur on this enquiry will be ~~xxxx~~ only in respect of grant of Special allowance to the Staff in addition to the little cost as regards the Stationery etc supplied

1) The staff employed in connection with the Enquiry against Sri ~~xxx~~ Somaffa, Sr S.S.G of Police, attended to this work from 3-8-1950 to 3-10-50 i.e. for a period of two months and it Consisted of ~~xxxxxxxx~~ two officials, one a supt of the High Court drawing a pay of Rs 230/- p.m. and another a Steno-grapher in receipt of a pay of Rs 120/- and one Daffedar & two peons.

Sd/ 3.10.50.

2) This was a confidential enquiry and the fact that it was completed within two months goes to show that the official ~~xxxx~~ must have worked hard and under great strain. It is also stated that they attended to their duties in the High Court whenever Called upon in addition to their normal duties. They are entitled to a deputation allowance at 1/10 of their ~~xxxx~~ pay, which amounts to ~~xxxxxxx~~

To

The Chief Secretary to
the Government of Mysore,
Bangalore.

Sir,

1) I write to state that as I intimated to you in my D.O. letter No. 4 dated 31-7-50 I requested the Registrar, High Court, to obtain the orders of the Chief Justice to spare the services of the two officials of the High Court viz., (1) Sri K.R. Ramapathy, Superintendent on pay of Rs. 230/- and (2) Sri B.C. Rama Rao Stenographer, on a pay of Rs. 120/- to work under me in this Enquiry, and the Chief Justice having been pleased to order that they may be deputed as requested, they have attended to their work in connection with this inquiry from 3rd August 1950. In my letter No. 25 dated 12-9-50 to the Additional Secretary to the Government, I had requested for a formal order of sanction of Government in this matter and so far no such order has been received. A menial staff consisting of a daffedar and two peons of the Secretariat (one of them doing the work of a cycle orderly) were deputed to work here.

Why?

2) As the work in connection with the Enquiry has been finished and my report has been sent to the Government, I have directed the above said two officials and the menial

staff to report themselves in their respective offices after 3-10-1950 as the work of winding up the office has to be attended to.

3) I may further state that these two officials have also attended at times to their work in the High Court in addition to their work here during this period of two months. They are of course entitled to deputation allowances according to rules which will be very small as compared to the nature of the work entrusted to them, and in view of the fact that they have attended to their duties in the High Court whenever called upon. This was a confidential enquiry and the work to be done in connection with it by these officials was a very responsible and exacting one.

4) I am therefore of opinion that they should be granted some substantial allowance for the good work done by them in addition to their usual salary which they have drawn. I am told that it is not unusual for the Government to sanction special allowances in such cases and this has been recently done in connection with a special inquiry. It may be stated in this connection that the Government are not incurring any appreciable expenditure at all in connection with this enquiry as they usually do in regard to such Special Enquiries, Committees and Commissions. Any expenditure which the Government may have to incur on this inquiry will be only in respect

of allowances that the Government may be pleased to grant to these officials and the menial staff in addition to the little cost as regards the stationery etc., supplied. I feel that the expenditure on this head in respect of this inquiry willbe very small (about Rs.225/-) as compared to the usual expenditure in connection with a Special Enquiry and is not unreasonable or extravagant.

5) I, therefore, recommend that the Government may be pleased to sanction, as a special case, an allowance of Rs.100/- to the Superintendent and Rs. 100/- to the Stenographer and in respect of the menial staff Rs.10/- to the Daffedar and Rs.7-8-0 to each of the two peons. I may also suggest that the order sanctioning the allowances in the case of the two officials of the High Court may kindly be communicated to the Registrar, High Court, for drawing the same and disbursing to them. As regards the minial staff this will have to be done in the Secretariat.
